

# COLLEGE GOLF RECRUITMENT

— THE ROAD TO COLLEGE GOLF STARTS HERE —

## MJT College Recruitment Program

### About

The MJT's mandate is to guide members through the maze of college golf recruitment and support the student-athlete into making an informed decision with the correct academic and athletic program for each individual. Select your program to help you through the entire process from the initial consultation to signing your National Letter of Intent.

The MJT's Fully Supported Program offers your family guidance and advice on the recruiting process. Our support begins with creating your recruitment package all the way through questions for potential schools and coaches to finally committing to a school. We advise on both Canadian and U.S. recruiting and are there every step of the way to make sure that you do not miss anything in the process.
