## **Lydale signs on as Scoring Sponsor with MJT**

Lydale, a leader in disaster cleanup, restoration, and reconstruction services, has announced their continued support for Canada's number-one played Junior Golf Tour, the Maple Leaf Junior Golf Tour (MJT), and will renew as Scoring Sponsor for the program in Alberta and Saskatchewan for the 2016 season.

"We are very proud to be a Scoring Sponsor for the MJT and are looking forward to an exciting series with some very talented young individuals," said Blaine Jackson, Lydale's President. "This is a great program for young people to truly develop as champions, in golf and in life."

Operating since 1978, Lydale offers disaster cleanup, restoration, and reconstruction services for both residential and commercial clients. Flood cleanup, fire damage, and sewer backup are some of the more common problems that they are able to help home owners and business owners with. Also present at Lydale is a certified Asbestos and Mould Department, which is dedicated to asbestos abatement projects and mould remediation.

With five offices located across Alberta and Saskatchewan, and the ability to transfer resources between the offices as needed, Lydale is capable of offering 24/7 service. Responding immediately is Lydale's key to mitigating further damage to your home or business. Whether it is a reconstruction project for your business, or an emergency cleanup for your home, Lydale can help. For more information, please visit [www.lydale.com](http://www.lydale.com).
