About the MJT

The MJT has been hosting organized competitive golf tournaments for junior boys and girls between the ages of 9 and 19 since 1999.

The non-profit tour is structured to provide junior golfers (regardless of their ability) with a series of tournaments designed to promote the development of golf skills, an understanding of the rules, proper etiquette, and respectful on-course behavior. Tournaments run across Canada, all under the guidance of highly qualified Canadian PGA Professionals.

Award Program

The Maple Leaf Junior Golf Tour is the "Road to College Golf" in Canada. Many of the young golfers who walk our fairways go on to college and university in Canada, the US, and abroad.

We are the only tour in Canada that offers free college golf consultations, free webinars and an annual college golf consultation package award. In addition, players are exposed to college coaches via qualifiers for high-level junior golf tournaments.

MJT Awards

Players of the Year (\$1800 of equipment)

Play Collegiate Golf Award (\$1000 of free scholarship and academic consultation)

Cleveland Golf Canada Scholarship (\$1000)

MJT Annual Scholarships (\$500-\$1000)

MJT Touring Professional Development Fund (two \$5000 bursaries for MJT alumni playing professional tour golf)

We are proud to introduce alumni **Mitch Gillis** and **Devin Carrey**, our 2011 MJT Touring Professional Development Fund recipients. Follow these two talented golfers as they pursue their careers as touring professionals.
