About the MJT

The MJT has been hosting organized competitive golf tournaments for junior boys and girls between the ages of 9 and 19 since 1999.

The non-profit tour is structured to provide junior golfers (regardless of their ability) with a series of tournaments designed to promote the development of golf skills, an understanding of the rules, proper etiquette, and respectful on-course behavior. Tournaments run across Canada, all under the guidance of highly qualified PGA of Canada Professionals.

Benefits & Awards

The Maple Leaf Junior Golf Tour is the "Road to College Golf" in Canada. Many of the young golfers who walk our fairways go on to college and university in Canada, the US, and abroad.

We are the only tour in Canada that offers discounted college golf webinars, and an annual college golf consultation package award. In addition, players are exposed to college coaches via qualifiers for high-level junior golf tournaments.

"Thank you very much for the opportunity to represent MJT at the Callaway World Jrs at Torrey Pines. I recently received the \$500 cheque and greatly appreciate it. It helped to pay for a practice round and some of our accommodation at the event. It was a wonderful opportunity and I especially enjoyed playing with people from all over the world..."
